Please note the following:

1. The approximate total distance is 7,500 km spread in routes within the forty seven (47) Counties of the Republic of Kenya
2. Depending on the type of activity being undertaken a trip could take between 3 days to 2 weeks within various Counties in the country.
3. You shall be required to provide separately the rate charged per kilometer for **four wheel drive vehicles IF DIFFERENT** from the **standard front/rear drive vehicles**.
4. The Vehicles should be able to travel for long distance and withstand rough terrain.
5. **The vehicles to be provided to kasneb May NOT be more than five (5) years old from date of Manufacture.**
6. **kasneb shall ONLY consider the Prices/Rates stated in the format provided in the specifications and Price schedules above. Please note that price(s)/Rate(s) provided in a different format other than the one provided by kasneb in the tables above May NOT be considered.**
7. The estimated number of vehicles per trip is approximately four (4). However, the number of vehicles required may vary either upwards or downwards depending on the nature of the activity to be undertaken.
