2.22 **Preliminary examination**

2.22.1 **kasneb** will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order.

2.22.2 **kasneb** may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.

2.22.3 Prior to the detailed evaluation, pursuant to paragraph 2.23 **kasneb** will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material deviations. **kasneb's** determination of a tender's responsiveness will be based on the contents of the tender itself without recourse to extrinsic evidence.

2.22.4 If a tender is not substantially responsive, it will be rejected and may not subsequently be made responsive by the tenderer by correction of the non conformity.

2.22.5 **Preliminary evaluation of the firm's responsiveness to kasneb's mandatory requirements** will be carried out pursuant to paragraph 5.0 (Page 18 of 30). Non responsive firms to the Mandatory requirements shall not be subjected to further evaluation and comparisons.

2.23.2 The tender evaluation committee shall evaluate the tender within thirty (30) days of the validity period from the date of opening the tender.

2.23.3 A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of contract award shall be considered for referral to the Public Procurement Oversight Authority for purposes of debarment from participating in future public procurement.

2.24 **Preference**

Preference where allowed in the evaluation of tenders shall not exceed 15%.

2.25.1 Subject to paragraph 2.21 no tenderer shall contact **kasneb** on any matter related to its tender, from the time of the tender opening to the time the contract is awarded.

2.25.2 Any effort by a tenderer to influence the members of staff of **kasneb** in its decisions on tender evaluation, tender comparison, or contract award may result in the rejection of the tenderer's tender.

2.26 **Award of Contract**

2.26.1 **Award criteria**

kasneb will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated **responsive** tender (**Including samples where applicable**), provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

Where samples are required it is mandatory

2.26.2 **kasneb's right to vary quantities**

kasneb reserves the right, at the time of contract award, to increase or decrease the quantity of goods and services originally specified in the Schedule of requirements without any change in unit price or other terms and conditions.

2.26.3 **kasneb's right to accept or reject any or all tenders**

kasneb reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the action.

2.27.2 Prior to the expiration of the period of tender validity, **kasneb** will notify the successful tenderer in writing that its tender has been accepted.

2.27.3 The notification of award, acceptance of the award and submission of 2% performance security (where applicable) will constitute the formation of the Contract.

2.27.4 Upon the successful tenderer's furnishing of the performance security pursuant to paragraph 2.28, **kasneb** will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 2.14.

2.27.5 If you do not receive any official communication **within 90 days** after the tenders closing date and time of **Monday, 18 March 2019 at 11.00 a.m.** Kindly consider that your tender application was unsuccessful.

2.28 **Signing of Contract**

2.28.2 At the same time as **kasneb** notifies the successful tenderer that its tender has been accepted, **kasneb** will send the tenderer the Contract form provided in the tender documents, incorporating all agreements between the parties.

2.28.3 The parties to the contract shall have it signed within thirty (30) days from the date of notification of contract award unless there is an administrative review request.

2.28.4 Within thirty (30) days of receipt of the contract form, the successful tenderer shall sign and date the contract and return it to **kasneb**.

2.29.3 Failure of the successful tenderer to comply with the requirements of paragraph 2.27 or paragraph 2.28 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event **kasneb** may make the award to the next lowest evaluated candidate or call for new tenders.

2.30 **Corrupt or fraudulent practices**

2.30.1 **kasneb** requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. When used in the present regulations, the following terms are defined as follows:

(ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the procuring entity, and includes collusive practice among tenderer (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the procuring entity of the benefits of free and open competition.

2.30.2 **kasneb** will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

2.30.3 Further, a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya by the Public Procurement Regulatory Authority.
