

INFORMATION SECURITY POLICY

kasneb is committed to protecting its information assets from threats and vulnerabilities in order to preserve the confidentiality, integrity and availability of those assets in fulfilment of its mandate.

kasneb shall ensure the implementation of this policy in accordance with the requirements of ISO/IEC 27001:2013 Information Security Management System (ISMS) and other relevant statutory, regulatory and contractual obligations. Members of staff shall play a key role in effective implementation of the policy.

The policy shall be communicated to interested parties and reviewed regularly for continual improvement.

Secretary and Chief Executive
