

QUALITY POLICY

kasneb is committed to empowering professionals globally by offering quality examinations and undertaking research and innovation. This will be achieved through development of syllabuses, conduct of quality examinations, certification of candidates, promotion of its qualifications and accreditation of relevant training institutions.

kasneb shall continually improve its quality management system to ensure conformance to the ISO 9001:2015 Quality Management System International Standard and applicable statutory and regulatory requirements in order to meet and exceed customer expectations.

The quality policy shall be communicated to interested parties and reviewed regularly for continual improvement.
